

**APPENDIX 7.5 to ANNEX 7, Aviation
Incident/Accident
Annex of the GERP
(dated March 23, 20**

**GUAM
NATIONAL GUARD
(GNG)**

GUAM NATIONAL GUARD

I. PURPOSE

The purpose of this Appendix is to delineate responsibilities necessary to respond to an aviation incident/accident.

II. MISSION

To coordinate and identify the primary and secondary responsibilities and activities required to save lives, prevent additional and potential loss of lives, mitigate any possibilities of continued hardship, damage to the environment, and the destruction of property.

III. SITUATION & ASSUMPTIONS

A major aviation incident /accident involving military, commercial, or civil aircraft could potentially have one of the following scenarios. It is important to note that at the initial stages of the incident/accident, the Guam National Guard shall

1. **ON AIRPORT** - The Guam International Airport Authority will have full authority and responsibility to respond to these incidents. The Guam National Guard, upon activation by the Governor of Guam, will augment local and/or federal response agencies with personnel, equipment, and other assets/services, as required.
2. **OFF AIRPORT - FEDERAL PROPERTY** - The Guam National Guard, upon activation by the Governor of Guam or the President of the United States, will augment both federal and/or local response agencies with personnel, equipment, and other assets/services, as required.
3. **OFF AIRPORT OTHER THAN FEDERAL PROPERTY**
 - a. **Military Aircraft** - The Guam National Guard, upon activation by the Governor of Guam or the President of the United States, will augment both federal and/or local response agencies with personnel, equipment, and other assets/services, as required.
 - b. **Commercial Aircraft** - The Guam National Guard, upon activation by the Governor of Guam or the President of the United States, will augment both federal and/or local response agencies with personnel, equipment, and other assets/services, as required.

4. SEA/COASTAL WATERS - US Coast Guard Marianas Section is designated as the Incident Commander. The Guam National Guard, upon activation by the President of the United States or Governor of Guam, will augment federal and/or local response agencies with personnel, equipment, and other assets/services, as required.

IV. CONCEPT OF OPERATIONS

The Guam National Guard is responsible for the following when responding to Aviation Incidents/Accidents:

1. Primary or Lead Agency Responsibilities:
 - a. Activate Joint (Army/Air National Guard) Emergency Operations Center.
 - b. Establish liaison with other local and/or federal response agencies.
 - c. Alert and deploy subordinate units IAW recall procedures and operations orders.
 - d. Initiate and maintain reporting procedures.
 - e. Develop and disseminate current and future operations plans and orders.
2. Support Agency Responsibilities:
 - a. Provide personnel, equipment, and service support to local and/or federal response agencies, as required.
 - b. Provide current status of response activities (SITREPS) to JIC.

V. ORGANIZATION & ASSIGNMENT OF RESPONSIBILITIES

1. The Guam National Guard will be responsible for:
 - a. Establishing a Joint ARNG and ANG EOC (J-EOC).
 - b. Augmenting local and federal response agencies with any of the following, as requested:
 - (1) Site Security
