Northern Region Community Health Center Reopens

The Northern Region Community Health Center (NRCHC) in Dededo has resumed regular clinic hours for scheduled appointments only. Walk-in patients will be triaged upon arrival. Immunization services are not available at this time. Patients may contact the clinic directly with questions at (671) 635-7547.

DPHSS offices housed within the facility, including the Dededo Women, Infants, and Children (WIC) Office, Bureau of Economic Security (BES) Office, and Division of Public Health (DPH) offices are also reopened to the public

Still without power?

As of 7 a.m. today, October 21, the Guam Power Authority (GPA) reported the Island-Wide Power System 99% recovered. All transmission lines are restored, all 30 critical substations are energized, and all 67 distribution feeders are fully or partially energized. Crews are now working on remaining isolated pocket outages in the north, central, and south.

Customers still without power after 12 p.m. Wednesday should contact the GPA Customer Call Center at (671) 647-5787/88/89, email customersfirst@gpagwa.com, or send a direct message to GPA's Facebook page. Provide the exact location or address and your contact information.

Emergencies: For emergency power situations, including low voltage, fluctuations, or single phasing, call GPA's 24-Hour Trouble Dispatch at (671) 475-1472/3/4. Provide the exact location, contact information, and condition of the location.

Downed lines: Stay away from all downed lines and equipment. They may still be energized.
Streetlights: Report streetlights needing repair to the Customer Call Center at (671) 647-5787/88/89, customersfirst@gpagwa.com, or GPA's Facebook page. Include the address and location.

The Customer Call Center is operating 24/7 throughout the recovery period. For updates, visit www.guampowerauthority.com or follow GPA on Facebook and Instagram.
