IF YOU FEEL A STRONG EARTHQUAKE:

- Drop, Cover, and Hold On
- When the shaking stops, move to safe zone
- DO NOT wait for an official warning
- Stay away from coastal areas until officials issue an “all clear”

A local tsunami can arrive in 15 to 20 minutes!

Assembly Area or Safe Ground

Proceed to this area for all tsunami warnings or if you feel a strong earthquake. Evacuate from this area for all tsunami warnings or if you feel a strong earthquake. Move inland and to higher ground or proceed to the 3rd floor or higher of a tall reinforced concrete building.
