

**Joint Information Center - JIC Recovery Release No. 61
June 21, 2023, 3:40 p.m. (ChST) JRR0621#61**

**Call Center Available to Support Individuals with Disabilities;
Hours updated for Typhoon Debris Waste Disposal Sites**

Call Center Available to Support Individuals with Disabilities

The University of Guam Center for Excellence in Developmental Disabilities Education, Research, and Service (Guam CEDDERS) has made available to the public a phone service for individuals with disabilities and/or senior citizens seeking assistance due to damages caused by Typhoon Mawar, by calling 311 and selecting Option 2.

The call center is made available for those who need assistance with:

- Applying for FEMA disaster assistance due to Typhoon Mawar
- Connecting with Guam System for Assistive Technology (GSAT) to temporarily borrow assistive technology equipment
- Direct you to the 988 Crisis Hotline for mental health services
- Delivering food commodities to you
- Providing information for services with various entities (such as debris disposal, Disaster SNAP, etc.)

Call 311 Option 2 for additional information on:

- Vaccination and booster clinics
- Scheduling in-home vaccination and boosters for senior and persons with disabilities
- Arranging for transportation to and from vaccination clinics

Typhoon Debris Waste Disposal Sites Update:

Effective **TODAY** through Wednesday, July 5, 2023, the three Typhoon Mawar disaster debris disposal sites are operational:

- Monday through Friday from 4 p.m. to 6 p.m.
- Saturday-Sunday from 9 a.m. to 6 p.m.

The updated hours impact sites at the old transfer station in Dededo, the former Tiyan carnival grounds in Barrigada and Ypao Point in Tamuning. The reason for the change in hours is to allow the Department of Public Works to increase site capacity and to ensure compliance with regulatory safety standards.

During this time, Government of Guam agencies and departments will continue to have access to the disaster debris disposal sites from Monday through Friday, 9 a.m. to 4 p.m.

As a reminder, junk tires are no longer being accepted at this time. The community is reminded to PROPERLY SECURE WASTE LOADS BEFORE traveling to any disposal site. To ensure efficient flow at each typhoon debris disposal site, the public is advised to **PRE-SORT AND SEGREGATE** waste prior to arrival at the sites. Capacities at each site vary, and some waste types may be diverted to other sites with more capacity.

SITE	USAGE	HOURS OF OPERATIONS	WASTE TYPES
------	-------	---------------------	-------------

Old Transfer Station, Dededo	GovGuam Only	Monday – Friday: 9am - 4pm	Household trash, Household bulky waste, Metallic waste Wood waste, Construction debris Household hazardous waste, White goods/Appliances Electronic waste
