**Dededo and Tiyan Disaster Debris Sites Closing July 3, Green Waste Site Updates;
 Disaster Debris Sites to Undergo Pesticide Application; No Burn Notice Lifted, Permits Required**

Dededo and Tiyan Disaster Debris Sites Closing July 3, Green Waste Site Updates:

The Typhoon Mawar disaster debris disposal sites located at the old transfer station in Dededo and the former Tiyan carnival grounds in Barrigada will discontinue operations and close at 6 p.m. on Monday, July 3, 2023.

The disaster debris disposal site located at Ypao Point in Tamuning will continue operations from now through 6 p.m. Thursday, August 3, 2023. Ypao Point will be open for residential use on weekdays from 4 p.m. to 6 p.m., and weekends from 9 a.m. to 6 p.m.

As a reminder, tires are not accepted at the disposal sites. Capacities for certain waste types will vary at each site. Residents are urged to dispose of household trash, compressed gas tanks/cylinders and solar panels at Ypao Point.

The community is reminded to PROPERLY SECURE WASTE LOADS BEFORE traveling to any disposal site. To ensure efficient flow at each typhoon debris disposal site, the public is advised to **PRE-SORT AND SEGREGATE** waste prior to arrival at the sites.

Disaster Debris Sites to Undergo Pesticide Application:

The Department of Public Health and Social Services (DPHSS) Division of Environmental Health (DEH) staff will conduct pesticide application to control mosquitoes and eliminate breeding sites, at the three disaster debris sites at the old transfer station in Dededo, the former Tiyan carnival grounds in Barrigada, and Ypao Point in Tamuning between June 27 - 30, 2023. While the sites will still be operational, for the safety of all, the community can expect limited access during those periods and are requested to remain patient and orderly while waiting during those times.

No Burn Notice Lifted, Permits Required:

The Guam Fire Department (GFD) has lifted the No Burn Notice, in accordance with Executive Order No. 2023-08 relative to lifting the emergency on the public water supply shortage. Be advised it is illegal to burn without a permit and you may be issued a citation if burning without a permit. Visit the nearest fire station for a permit.
