### **Opening of the Safe Haven Project Delayed**

COVID-19 test results are reported from multiple labs at varying times of the day. Cumulative test results will be provided this evening once all tests from today are finalized.

To date, 146 cases have been confirmed through COVID-19 testing provided with 131 released from isolation and 5 deaths. As this is an evolving situation, information is subject to change with little to no notice.

For updated information on COVID-19 cases on Guam, including residential villages of confirmed cases, visit the COVID-19 Dashboard at <http://dphss.guam.gov/covid-19/>.

### **Opening of the Safe Haven Project Delayed**

The Safe Haven Project, an initiative to address Guam's homeless population during the COVID-19 pandemic, has been delayed.

While considerable effort went into opening on Saturday, May 2 at Paseo Stadium, based on recent information garnered from similar projects in other jurisdictions, the site was determined not to be conducive to limiting the spread of COVID-19. Site alternatives are being immediately considered in order to safely accommodate the vulnerable population as quickly as possible. Additional information will be provided as it becomes available.

For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
