

**Joint Information Center - JIC Release No. 108**  
**May 4, 2020, 2:40 p.m. (ChST)**

**Corrected Case Count; Expanded Testing Results; Contractors License Renewal Deadlines; DOL Updates; Nonessential Businesses Remain Closed**

COVID-19 test results are reported from multiple labs at varying times of the day. Cumulative test results will be provided this evening once all tests from today are finalized.

**COVID-19 Count Correction**

On Sunday, May 3, the Joint Information received information of two additional confirmed cases of COVID-19. On Monday, May 4, it was clarified that one of the positive cases reported the day prior had already been accounted for.

To date, there have been **149 cases** confirmed through COVID-19 testing provided with 5 deaths and **125** released from isolation. **Seven** people previously released from isolation have returned to active isolation status. As this is an evolving situation, information is subject to change with little to no notice.

Cases are released from isolation when at least 3 days (72 hours) have passed since resolution of fever without the use of fever-reducing medications and improvement in respiratory symptoms AND at least 7 days have passed since symptoms first appeared.

Some cases that were previously released from isolation have returned to active isolation status after re-testing positive for COVID-19 through follow-up testing. To date, no additional cases have been linked to people released from isolation.

### Contractors License Renewal Deadlines

The Contractors License Board 2021 License Renewal Application deadline has been moved from June 30, 2020 to August 31, 2020. There will be no late fees applied until September 1, 2020. You may visit [www.clb.guam.gov](http://www.clb.guam.gov) to print out the 2021 License Renewal Application. For inquiries, call 649-2214/2213.

### Department of Labor Updates

Guam Department of Labor (GDOL) sent a budget request of more than \$924 million dollars to help those on the island impacted by COVID-19. On April 28 the supplemental budget request was sent to U.S. Department of Labor (USDOL) to implement the Pandemic Unemployment Assistance (PUA) program and the Federal Pandemic Unemployment Compensation (FPUC) program locally.

However, to receive the federal funds and get unemployment benefits to the people of Guam, agreements for both programs need to be signed. Currently the PUA agreement has been signed, but USDOL has not yet provided the FPUC agreement for Guam to sign.

As the department waits for USDOL to sign the FPUC agreement, approve the budget request and release the federal funds, GDOL is moving to stand up as much of the program as possible so when the payment is loaded, the department can get money out with minimal delays.

### **Nonessential Business to Remain Closed Until PCOR 2**

Guam remains in Pandemic Condition of Readiness (PCOR) 1. Nonessential businesses may **not** operate until PCOR 2 has been declared. To declare a PCOR 2 status, the following criteria must be met:

1. TWO WEEKS of consistent decline in the number of new COVID-19 positives
2. Adequate hospital capability to TREAT new cases as they arise
3. Capacity to TEST all people with COVID-19 symptoms; and
4. Ability to contact TRACE efficiently and effectively

Further guidance from DPHSS is forthcoming. For more information on *Chålan Para Hinemlo*, you can go to <http://www.investguam.com/roadtorecovery/>.

For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
