**Food Commodities Distribution Through Village Mayors Continues**

The Guam Department of Education (GDOE), State Agency for the Emergency Food Assistance Program (TEFAP) under the U.S. Department of Agriculture (USDA) Food Nutrition Service (FNS) is continuing the distribution of food commodities for the month of September in partnership with the local mayors.

Instead of the COVID-19 pandemic distribution model, where commodities were provided at designated locations such as the GDOE TEFAP warehouse in Piti, Tiyan baseball field or Dededo Farmers’ Market, commodities will be distributed through each mayor at the village level. This distribution method will be a drive-through or door-to-door delivery to provide easier access to food commodities for residents while also minimizing traffic-related issues.

Recipients will receive one bag of TEFAP food commodities per household to include egg noodles, elbow macaroni, cereal, instant milk, canned pears, peaches, beef stew, and lentils to include additional commodities as they arrive. Commodities will be distributed on a first come, first served basis, while supplies last. Commodity distribution in each village will be available to village constituents only and residents should call each mayor’s office for more information. The distribution schedule for the next week is as follows:

<b>Date</b>	<b>Village</b>	<b>Distribution Method</b>
Sept. 5, 2020	Agana Heights	Drive-through at Agana Heights Mayor’s Office; 1:30-4:30pm
