**Food Commodities Distribution Through Village Mayors Continues**

The Guam Department of Education (GDOE), State Agency for the Emergency Food Assistance Program (TEFAP) under the U.S. Department of Agriculture (USDA) Food Nutrition Service (FNS) is continuing the distribution of food commodities for the month of September in partnership with the local mayors.

Commodities are being distributed through each mayor at the village level. This distribution method will be a drive-through or door-to-door delivery to provide easier access to food commodities for residents while also minimizing traffic-related issues.

Recipients will receive one bag of TEFAP food commodities per household to include egg noodles, elbow macaroni, cereal, instant milk, canned pears, peaches, beef stew, and lentils to include additional commodities as they arrive. Commodities will be distributed on a first come, first served basis, while supplies last. Commodity distribution in each village will be available to **village constituents only** and residents should call each mayor’s office for more information. The distribution schedule for the next week is as follows:

Date	Village	Distribution Method
Sept. 15, 2020	Tamuning	Drive-through at Tamuning Community & Senior Citizens Center; 2-5pm

### **GDOL Program Seeks to Hire Contact Tracers**

The Guam Department of Labor (DOL) is hiring 24 individuals to assist the Department of Public Health and Social Services (DPHSS) with data collection and data entry.

Funded by the National Dislocated Worker Grant, the program is seeking individuals who have been laid off or furloughed from their job as a direct result of COVID-19. The department is recruiting 12 data control clerks and 12 community program aides for 6-month terms. Both positions pay \$10.14 an hour.

Primary duties for data control clerks include:

- Assisting the contract tracing team with data entry of information gathered from the field and through investigations.
- Retrieving data and data verification.

Primary duties for community program aides include:

- Assisting program staff with disease surveillance activities and epidemiological investigations of contacts.
- Assisting in outreach programs.

Most duties will be performed in office and over the phone.
