**Expanded GDOE School Meal Distribution Program**

The Guam Department of Education (GDOE) is expanding its school year (SY) 2020-2021 School Meal Distribution Program eligibility. GDOE launched the School Meal Distribution Program on September 4, 2020. Beginning Friday, September 18, 2020, the program will expand to include all children 18 years of age and below from GDOE, private and DODEA schools. Meals are limited in availability and should be picked up at a school within a child's attendance area.

Who is eligible?

All children 18 years and below, to include public and private school children.

What?

The school meals program will provide one bundle of five days worth of nonperishable breakfast food items per child, and will be distributed at no cost utilizing a drive-through operation, on a first come, first served basis. The school meal program is limited to one meal per child and offers breakfast only at this time. Vehicles are limited to a maximum of 5 food bundles, and walkers are limited to a maximum of 5 food bundles.

When?

The school meal distribution program is operational every Friday only, from 9 a.m. to 12 p.m., except holidays. Walkers are also accepted.

Where?

The school meal distribution program is available at all GDOE schools.

The GDOE is working to offer this school meal program to ensure students continue to receive nutritious meals throughout the ongoing school closure due to COVID-19. The school meal distribution program is made possible through a waiver received by the United States Department of Agriculture (USDA). Participants are asked to wear a mask when picking up meals through a drive-through system. GDOE and Sodexo staff will be on hand to facilitate the school meal distribution. Drivers should remain in their vehicles and follow instructions to facilitate a smooth and safe distribution process. Walkers must also wear masks.

The distribution will provide each school site with the average daily meals that would be distributed to students based on data from last school year. Numbers for the following weeks will be adjusted up or down based on the demand at each school site.

### **Registration Closed for Saturday, Sept. 19 Community Testing**

The Department of Public Health and Social Services (DPHSS), in collaboration with the Government of Guam and the Mayors' Council of Guam, is providing COVID-19 testing to the first 200 people who have registered with the Umatac Mayor's Office. Testing is scheduled for Saturday, September 19 from 9 a.m. to 12 p.m. at the Umatac Mayor's Office. **Registration for this event is now closed. All others who have not registered will be turned away.**

For the safety of the community and the nurses, only four (4) people per vehicle are allowed to be tested. Testing is free and open to the first 200 participants that pre-register with the Umatac Mayor's Office. No symptoms are needed to qualify for testing. Individuals who have registered are asked to bring an ID, if one is available.

To receive individual COVID-19 test results, send a request to [covidresults@dphss.guam.gov](mailto:covidresults@dphss.guam.gov). Further instructions will be provided via email to patients before COVID-19 test results are sent.

Those who were unable to register for Saturday's testing and are experiencing symptoms consistent with COVID-19, are advised to call their health care provider. If a patient does not have a regular health care provider, they can call the Northern Region Community Health Center (NRCHC) at (671) 635-7525/6 to schedule an appointment. The NRCHC COVID-19 testing is available by appointment only.

Those experiencing symptoms can also call the DPHSS Medical Triage Hotline phone numbers listed below to report symptoms and obtain guidance from clinicians, or call 311 and dial option number 1.
