89th COVID-19-Related Fatality Reported

The Joint Information Center was notified that Guam's 89th COVID-19-related fatality occurred at the Guam Memorial Hospital (GMH) at 1:16 p.m. The patient was a 68-year-old female with underlying conditions that were further compounded COVID-19. She was admitted to GMH on October 13, 2020 and was a known COVID-19 case.

"This island mourns with another passing to COVID-19. Jeff, Lt. Governor Josh, and I send our deepest condolences and sympathies to those who cherished her," said Governor Lou Leon Guerrero. "This virus is ruthless and is willing to claim more and more members of our community. Wearing our masks, watching our distance, and washing our hands--these simple actions are the best tools we have in this pandemic. We can protect each other. We can save lives."

Eight Positive Cases of COVID-19 Among DOC Population

In light of recent positive cases of COVID-19 among its employees, the Department of Corrections (DOC), in coordination with the Department of Public Health and Social Services (DPHSS), began mass testing of the prison population.

On November 6, 2020, 203 were tested and results yielded 8 positive cases, one male and seven females, all of whom are in isolation. Testing for the remaining DOC population will continue at the Adult Main Facility in Mangilao on November 9 and the Hagåtña Detention Facility on November 12.

Three GDOE Employees Test Positive for COVID-19

On Saturday, November 7, 2020, the Guam Department of Education (GDOE) received notification that three GDOE employees tested positive for COVID-19. These cases were identified at Tamuning Elementary School, Lyndon B. Johnson Elementary School and B.P. Carbullido Elementary School. Two of these cases were identified through contact tracing efforts.

The GDOE is working closely with DPHSS to conduct contact tracing and any close contacts of the confirmed cases will be contacted directly. Areas of the campuses have been cleaned and disinfected as needed. Hard copy packet and food distribution will not be interrupted.
