COVID-19 Community Testing at Tiyan Canceled Due to Inclement Weather

The Department of Public Health and Social Services (DPHSS) COVID-19 community-based testing scheduled for today at the old carnival grounds in Tiyan, Barrigada has been canceled due to safety concerns over inclement weather.

COVID-19 testing at the Northern Region Community Health Center (NRCHC) continues as scheduled today but may close early based on weather conditions.

The National Weather Service (NWS) has issued an urban and small stream flood advisory for Guam until 10:30 a.m. Testing sites located in Dededo and Barrigada are expected to experience flooding as heavy rainfall is occurring.

Weather permitting, COVID-19 testing will resume Tuesday, November 30, as scheduled.
