**DPHSS Issues Guidance Memo 2022-07**

Today, the Department of Public Health and Social Services (DPHSS) issued [DPHSS Guidance Memo 2022-07](#), relative to amending the requirements for traditional graduation ceremonies for Schools and Institutions of Higher Education (IHE), in accordance with Executive Orders No. 2021-20 and 2021-29 during the current Pandemic Condition of Readiness 3 (PCOR 3), which was declared by Executive Order No. 2021-16 on July 21, 2021. The requirements set forth are intended to help prevent the spread of COVID-19 while providing schools and IHEs an option for a traditional graduation ceremony.

[DPHSS Guidance Memo 2022-07](#) supersedes DPHSS Guidance Memorandum 2021-14 (Amendment #1) in its entirety, and does not apply to the “Grad and Go” graduation concept and provides general restrictions and requirements, provisions on social distancing, use of face masks and contact logs.

**SPECIAL NOTE:** Based on today's data, if we were to compare two (2) hypothetical populations of 100,000 people each, vaccinated versus unvaccinated, there would be 5 vaccinated people hospitalized for COVID-19 compared to 25 unvaccinated people hospitalized for COVID-19. The risk of being hospitalized for COVID-19 is about 5 times higher for the unvaccinated as compared to the vaccinated. \*Estimated population is based on DPHSS Immunization Program analysis of 2020 Census data.
