

Joint Information Center - JIC Release No. 919
January 10, 2022, 6:35 p.m. (ChST)

**COVID-19-related Fatalities Adjusted;
 Cumulative COVID-19 Test Results: 309 New Cases, 15 Hospitalized;
 Tiyan COVID-19 Outreach Moves to Appointment-Based Testing;
 SNAP Supplemental Emergency Allotment for January 2022**

COVID-19-related Fatalities Adjusted

Two (2) COVID-19 positive patients whose deaths were previously reported as COVID-19-related fatalities on November 4, 2021 and December 13, 2021, were subsequently found not to be the result of COVID-19. The Department of Public Health and Social Service (DPHSS) Office of Epidemiology and Research has revised the COVID-19-related fatality count to 272.

15 Hospitalized for COVID-19

CENSUS as of 12 p.m.	GMH	GRMC	USNH	TOTAL
COVID-19 Admission	8	7	0	15
Pediatric Admissions	1	-	-	1
ICU	0	2	0	2
Ventilator	0	0	0	0

VACCINATION STATUS	VACCINATED	UNVACCINATED	INELIGIBLE (0-4 years old)
Hospitalized	8	7	0
Total in Population*	130,380	11,227	12,229
Rate per 100,000 Population	6	62	0

*SPECIAL NOTE: Based on today's data, if we were to compare two (2) hypothetical populations of 100,000 people each, vaccinated versus unvaccinated, there would be 6 vaccinated people hospitalized for COVID-19 compared to 62 unvaccinated people hospitalized for COVID-19. The risk of being hospitalized for COVID-19 is about 10 times higher for the unvaccinated as compared to the vaccinated. *Estimated population is based on DPHSS Immunization Program analysis of 2020 Census data. Updates are expected pending further Census 2020 data breakdown.*

Cumulative COVID-19 Test Results: 309 New Cases of COVID-19 January 8 – January 10

Today, DPHSS reported **thirty (30)** new cases of COVID-19 from **262** specimens analyzed on January 9, 2022. **Six (6)** cases were identified through contact tracing. An additional **279** cases were also reported today as a result of complete analysis and case submissions from other clinics for preliminary COVID-19 test results reported January 8 – 9, 2022. Official case counts for the past weekend results are as follows:

- **256** of **1,769** test positive for COVID-19 ([94 cases previously reported on January 8, 2022](#)). **Ninety-seven (97)** cases were identified through contact tracing.
- **238** of **1,588** test positive for COVID-19 ([121 cases previously reported on January 9, 2022](#)). **Sixty-two (62)** cases were identified through contact tracing.

To date, there have been a total of **21,118** officially reported cases, **272** deaths, **1,679** cases in active isolation, and **19,167** not in active isolation. The CAR Score is **162.6**.

Tiyan COVID-19 Outreach Moves to Appointment-Based Testing, Hours Extended

The community COVID-19 testing at the old carnival grounds in Tiyan, Barrigada has transitioned to an appointment-based system. Scheduling of appointments for COVID-19 testing will allow for more efficient processing and reduce long lines and wait times. Unscheduled drive-ups will be accepted on a limited basis. Testing hours have been extended to accommodate more patients. The new hours are listed below. To schedule an appointment, visit tinyurl.com/covidstopswithme.

FREE COVID-19 COMMUNITY TESTING For more information, visit dphss.guam.gov/covid-19-testing .		
Jan. 11 - 15, 2022	8 a.m. - 12 p.m. BREAK 12 p.m. - 1 p.m. 1 p.m. to 3 p.m.	Old Carnival Grounds, Tiyan, Barrigada COVID-19 testing will be offered by appointment through Eventbrite at tinyurl.com/covidstopswithme . Register for SimpleReport for Faster Processing of COVID-19 Test Results

Residents and patients who plan to get tested for COVID-19 are encouraged to register for SimpleReport, a free, user-friendly web-based app, that remembers required patient information for easier, simpler reporting of COVID-19 test results. Once registration is completed, protected patient information is stored for all future testing. A QR code may be issued to patients once they are registered to the SimpleReport system. Register for SimpleReport: tinyurl.com/guamtesting.

Individuals who test negative for COVID-19 will receive a text message through their mobile phones with instructions to verify their identity to view their results. Individuals who test positive for COVID-19 **will be contacted the same day of testing** and are encouraged to isolate immediately. DPHSS staff will contact the patient to screen for other isolation measures, symptoms, and coordinate for monoclonal antibody therapy treatment, if eligible. **You may also request for a copy of your results via email by sending a request to covidresults@dphss.guam.gov.**

SNAP Supplemental Emergency Allotment for January 2022

The SNAP Supplemental Emergency Allotment for January 2022 will be released on January 21, 2022. Benefits will be electronically loaded into the SNAP recipients' EBT cards. For more information, call
