### Guam Homeland Security and Civil Defense To Host Hazard Mitigation Grant Program Information Session on Generator Projects

The Offices of Guam Homeland Security and Civil Defense (GHS-OCD) will host an information session on generator project sub applications as part of the Hazard Mitigation Grant Program (HMGP) on Wednesday, October 30, at 9 a.m.

Following the Presidential Disaster Declaration in response to Typhoon Mawar, Guam received HMGP funding. The funding is available to Government of Guam entities and private non-profit organizations for projects that reduce risks to people and property across the island. The information session will cover the HMGP application process and outline requirements for generator projects. Pre-registration is required to attend the session.

To pre-register, please visit <https://forms.gle/AxkfZg4a9UFsMYc9A>. For more information, please contact Amanda Blas, State Hazard Mitigation Officer, at 671-687-6219 or email [amanda.blas@ghs.guam.gov](mailto:amanda.blas@ghs.guam.gov).

Additional information can be found at FEMA's website: [FEMA Mitigation Grants](<https://www.fema.gov/grants/mitigation>).
