### **Guam in COR 3; Take Action to Prepare**

Governor Lou Leon Guerrero and Rear Admiral Brent De Vore will place Guam and the respective military bases in Condition of Readiness (COR) 3 at 3 p.m. this afternoon.

Joint Region Marianas, Naval Base Guam, Andersen Air Force Base, and Marine Corps Base Camp Blaz establish COR 3. All Military installations on Guam are currently securing facilities and housing residents are urged to commence heavy weather preparedness efforts in COR 3.

At 1 PM ChST the center of Tropical Depression 14W was located near latitude 11.2N...longitude 146.5E. This was about 195 miles southeast of Guam. Storm motion was west, 275 degrees, at 9 mph. Storm intensity was 30 mph. A Tropical Storm Warning has now been issued.

#### **What to Expect**

Now is the time to prepare for low-end tropical storm conditions according to your typhoon disaster plan specific to your home or business.

It is important to actively listen for forthcoming information from your local National Weather Service office and emergency management agency.

#### **Prepare Now**

The community is advised to take the following preparedness actions this weekend:

- **Those living in flood-prone areas should take action; clear drainage areas and unblock storm drains to minimize flooding;**
- Clear loose debris around your yard and store any items, such as tents and canopies, that may become airborne with heavy winds, before inclement weather arrives;
- Stay up to date with the latest information. The system track or intensity may change, and advisories may be issued;
- Locate or prepare your emergency preparedness kits for your household;
- Secure important documents such as birth certificates, tax papers, and insurance documents, and keep copies in a water-proof bag;
- Gas your vehicles and get fuel for your generators;
- Be prepared to take action if shutters are warranted;
- In COR 3, residents are asked to secure loose items in their yard including lawn furniture, and barbeque grills and trash cans.
