No Immediate Threat to Marianas Assessed from Reported North Korea Launch

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD), in conjunction with the Mariana Regional Fusion Center (MRFC), federal and military partners, continue to monitor events surrounding the region including reports of the recent launch of an unidentified projectile out of the Democratic People's Republic of Korea (DPRK) today.

“While there is no immediate threat assessed for Guam or the Northern Marianas, we remind the community to remain vigilant and stay up to date with activity in our region,” said Samantha Brennan, Homeland Security Advisor. “GHS/OCD will continue to work with our military and federal partners in order to provide timely notices.”
