No Immediate Threat to Marianas Assessed from Reported North Korea Launch

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD), in conjunction with the Mariana Regional Fusion Center (MRFC), federal and military partners, continue to monitor events surrounding the region including reports of the recent launch of an unidentified projectile out of the Democratic People's Republic of Korea (DPRK) today.

“There was no immediate threat assessed for Guam or the Northern Marianas from the reported launch,” said Samantha Brennan, Homeland Security Advisor. “The community is reminded to stay up to date and be prepared for all-hazards and all-threats by talking through plans with family for different scenarios.”
