Homeland Security Advisor

Jenna G. Blas

Acting Civil Defense Administrator

For Immediate Release
March 15, 2021

Port Authority AHAWS Siren to be Tested March 15

The Offices of Guam Homeland Security and Civil Defense will conduct a test of the All Hazards Alert Warning System (AHAWS) siren from the Port Authority of Guam (PAG) location today, March 15, 2021, between 3 p.m. – 4 p.m.

The siren test from PAG is being conducted to assess operation.

Residents, visitors, and motorists surrounding the PAG AHAWS siren can expect to hear pre-scripted voice messaging announcing the start and end of the test, and the “Alert” tone, which can be heard here: <http://www.whelen.com/mass/audio/Euro%20Tones%20Wav%20Files/Alert.wav>.

Today’s test of the PAG AHAWS siren is separate from the pre-scheduled monthly test of all 15 AHAWS sirens. Future tests of the AHAWS sirens will continue to be conducted on a monthly basis and will typically fall on the first Tuesday of each month.

For more information, contact Acting Public Information Officer Jaimie Franquez via email at jaimie.cruz@ghs.guam.gov.
