Port Authority AHAWS Siren to be Tested Today, August 8

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD) will conduct a test of the All Hazards Alert Warning System (AHAWS) siren remotely from the Port Authority of Guam (PAG) location today, August 8, 2022, at 3 p.m.

The siren test from PAG is being conducted to assess operations. Residents, visitors and motorists surrounding the PAG AHAWS siren can expect to hear pre-scripted voice messaging announcing the start and end of the test, and the "Alert" tone.

The August 8 test of the PAG AHAWS siren is separate from the pre-scheduled monthly test of all nineteen AHAWS sirens. Future tests of the AHAWS sirens will continue to be conducted on a monthly basis and will typically fall on the first Tuesday of each month.

For more information, contact GHS/OCD Public Information Officer Jenna G. Blas at (671) 489-2540 or via email at jenna.g.blas@ghs.guam.gov.
