### For Immediate Release

April 22, 2024, 10:20 a.m. (ChST)

### Red Flag Warning in Effect, Refrain from Outdoor Burning

The National Weather Service (NWS) Guam Weather Forecast Office advised very dry conditions and gusty daytime winds will result in a high fire threat.

A **red flag warning** is in effect until 7 p.m. Tuesday for Guam. East winds of 15 to 25 mph, with gusts to 35 mph over higher terrain, and humidity at 50 to 55 percent are expected. Any fires that develop will likely spread rapidly. Conditions will ease during nighttime hours. **Refrain from outdoor burning.**
