Thunderstorm Advisory in Effect; Practice Caution

The National Weather Service (NWS) Guam Weather Forecast Office issued a **thunderstorm advisory**, in effect for the Guam International Airport until 9 p.m. this evening. Thunderstorms are occurring within 20 nautical miles of the airport.

Showers developing to the west of Guam suggest potential for some of these showers to develop into thunderstorms. Be alert and take precautions as required. If outdoors, seek shelter if lightning is seen or thunder is heard.
