The National Weather Service (NWS) Guam Weather Forecast Office issued a **thunderstorm advisory**, in effect for the Guam International Airport until 9 p.m. this evening. Thunderstorms are possible or occurring within 20 nautical miles of the airport. Be alert and take precautions as required. If lightning is seen or thunder is heard, remain indoors.

Tonight, it is expected to be mostly cloudy with scattered showers and isolated thunderstorms. Wednesday through Saturday night is expected to be partly cloudy with isolated showers and a slight chance of thunderstorms.
